

# CARLISLE ELEMENTARY FEBRUARY NEWSLETTER

THANK YOU to everyone who sold Moon Pies to help raise money for Carlisle! We are planning to combine as much of the profit as possible from the fundraiser with a grant from the Community Development Committee, and funds from PTO to replace the gym flooring. A portion of the profits will be needed to support the school's general fund. During the week of Valentine's Day, the school will be selling Candy Grams in homeroom to continue raising money for the gym floor. Thank you to the Peer Helpers, Mrs. Franklin, Mrs. Payne, and Mrs. Shirley for conducting this fundraiser.

## Valentine's Candy Grams

Candy Grams will be on sale beginning Monday, February 8th through Thursday, February 11th. Each candy gram is \$1.00. Students can send candy grams to friends in their class, a different homeroom, or even a different grade level.

Parents can send Candy Grams too! Check the flyer coming home with your student for details.

## Congratulations to this year's spelling bee winners!

The 4th and 5th grade homerooms held class spelling bees to determine which student would represent Carlisle this year at the Etowah County Spelling Bee. The classroom winners were: Kevin Corona, Taylor Johnson, Anthony Harris and Ella Presley. The classroom runner-ups were: Adam Boutwell, Selena Caudillo, Bentlie Blevins, and Benjamin Tidwell. This year's Carlisle Spelling Bee runner up is Ella Presley. Carlisle's Spelling Bee champion is Taylor Johnson. Taylor will be competing in the Etowah County Spelling Bee on February 3rd.

Good luck Taylor and congratulations to you all!

## Important Dates

February 3 Etowah County Spelling Bee  
February 4 ECBOE Meeting 5:00  
February 8 Candy Grams go on sale  
February 12 Virtual Water Festival-4th Grade
